WHO WE ARE...

We are the Unitarian Universalist Congregation of the Palisades - a not-for-profit, non-sectarian, inclusive congregation whose primary mission is to contribute to a better society. We fight injustice and help those who cannot help themselves. We currently meet each Sunday at the Flat Rock Brook Nature Center

WHAT WE'RE DOING....

We're holding a silent auction on Saturday, January 23rd at the Dwight Morrow High School in Englewood, NJ to generate funds for a new home of our own. Last year, we had over 40 merchants participate, with over 200 people from the local area attended. This year, we expect double that number.

WHY YOU SHOULD PARTICIPATE....HERE'S WHAT YOU WILL GET:

- You'll get **FREE** advertising on our website, in the program booklet, on radio broadcasts, in the local print media and by word-of-mouth
- You'll get a tax deduction *
- You'll reach a large local population that can become new customers
- You'll feel good after giving...try it!
